

THE NUTRITION SOCIETY
OF AUSTRALIA (INC.)

NSA Scholarship

The scholarship covers the fees for the two week 1st Australian/OCEANIAFOODS training course on Production, Compilation and Use of Food Composition Data in Nutrition

NSA invites applications from NSA full-time postgraduate student members or NSA members who work for a charitable or other low-income organisation for attendance at the 1st Australian/OCEANIAFOODS training course on Production, Compilation and Use of Food Composition Data in Nutrition to be held in Sydney on February 9th to 20th 2009. See: <http://www.sseau.unsw.edu.au/docs/foodcomp/index.htm>

This Scholarship covers the course fees for this **high-quality** two-week intensive training course in food composition - **a course previously only accessible overseas.**

Applications will be **accepted** only from **financial** members who have belonged to NSA for at least **6 months as at 27 June 2008.**

Applications should include [1] a letter outlining how you would use the training in your work and why you believe your application is worthy of **NSA** support and [2] your curriculum vitae.

Please send applications by Friday June 27th to Nutrition Society of Australia, nsa@fcconventions.com.au
